

Black River's Best

They are the folks who make Scouting happen and EVERY pack and troop has at least one. They are the volunteers who always give 150% to make every outing and activity a resounding success.

We want to help you recognize these outstanding volunteers. You are invited to select one volunteer from your unit to be recognized as one of BLACK RIVER'S BEST. Whom you select is entirely up to you, the adult leaders of the unit.

We ask two things: First, that you submit a brief Scouting and civic biography of your candidate and, second, that the unit have a strong turn out for the District dinner on May 16th, 2012, when the award will be presented. Many units provide dinner to the recipient and spouse as a "thank you" and will also purchase a congratulatory ad listing in our program.

The award is a distinctive patch to be worn on the uniform and a certificate of recognition.
